### **What's on Your SmartTown® Card?**

*Did you know that you can spend your earned cash at any time, on any purchase at a SmartTown business!*

### **Protect Your Card Balance.**

*Your card is like cash. Protect it against loss. Register your card online at [smarttownalliance.com](http://smarttownalliance.com).*

*For assistance contact the Red Wing Area Chamber of Commerce at 651-388-4719.*

### **SmartTown is NOT a Credit Card.**

*You cannot go in debt with a SmartTown card. It earns cash for you and your chosen nonprofit. Your cash is stored on your SmartTown card until you spend it. Your chosen nonprofit receives the money once a month, every month*

## What is SmartTown®?

*It's free. It's easy. It's smart.*

SmartTown is a "shop local" program that rewards you for shopping at participating businesses in Red Wing. With your SmartTown card, these businesses offer cash rewards to you, the cardholder, and make a matching contribution to the non-profit or charity of your choice.

*There is no cost for you to participate.*

## Three Easy Ways to Use Your SmartTown Card

*Reward – Redeem – Recharge*

### 1. Reward

Earn cash rewards for shopping at participating businesses. Your reward is based on their specific offer. Half of the reward is stored on your card until you spend it. The other half is paid by that business to the charity or non-profit designated by your card. Register your card online to select your cause of choice – change it as often as you like.

*Every time you use your card at a participating business, you earn cash for you and your cause.*

### 2. Redeem

Use your stored cash value to pay for purchases at participating businesses. The cash stored on your card is just like cash in your wallet. And when you use your card to pay, the business rewards you again – your card won't have a zero balance after your initial purchase.

### 3. Recharge

You can load money onto your SmartTown card, making it just like a gift card. Recharge your card online at the SmartTown website or go to a participating business.

**Visit [smarttownalliance.com](http://smarttownalliance.com) to register your card, check your balance or see how your purchases are generating money for your favorite cause.**

## DINE FOR YOUR CAUSE

We are proud to have the best restaurants in town as SmartTown participants. Take a night away from the kitchen and eat out at any of these participating restaurants. You'll have a great meal and both you and your chosen cause will receive a special thanks – cash!
